

Many thanks to all of our pupils and community for another wonderful week in school. We know this has been a very difficult time for everyone after the extremely sad news of the passing of our Queen. As you are aware school will be closed on Monday as a mark of respect, please note google classroom will not be running on this date. Please be reassured that support will continue for our young people moving forward. Please be mindful of our school times moving forward to ensure all pupils arrive on time to commence their daily learning - it is imperative that everyone is on time so that learning time is not lost.

I hope everyone manages to have a wonderful weekend, take time and care to support each other on Monday.

## Parent notices

Please can we remind you that you **MUST** make contact with school everyday that your child is absent. You can do this by ringing the school office and pressing option 1.

Parents are also not permitted to drive into the school grounds and **MUST** enter via the pedestrian gate.

Please can we remind parents again not to approach the classroom door and to wait on the playground when teachers are welcoming/dismissing children.

## This week @ BPA

Getting ready for Roald Dahl vocabulary day!

Magical and puzzled @ BPA loving vocabulary day and learning new words

Skittles Vs Smarties place value challenge was a fabulous way of recognising and representing numbers to 10 million

**Resource provision! Hi I am now the manager for the resource provision. I have worked at Bramley Park Academy for just over 4 years now, but come with 16 years of experience in teaching. My passion for inclusive learning is what inspired me to further educate myself on Special Educational Needs and Disability (SEND). I have recently graduated with a NASENCO award but even more importantly I come with personal daily experience of autism as my son is autistic. I really believe that all children should have the same opportunities and be given a right to be educated. I advocate for all children with SEND to ensure that this happens. My wealth of experience, knowledge and passion will promote the development of all children that come into our resource provision.**

## This week @ Launchpad

**We have had a great start to the new year. This half term we are learning "all about me!" The children are enjoying learning all about each other and making new friends. So proud of you all**

**So very proud.  
Our first reader of  
the week!  
Amazing!**

**This afternoon we  
went to the  
library.  
The children loved  
reading the  
different genres  
of books**
