

This week we were pleased to welcome Sir Clive Davies into our school to conduct a learning audit into our Math's and Reading provision. He was thoroughly impressed with a number of aspects of our school: the learning behaviours of our children, the calm and purposeful atmosphere throughout the day, and the quality of teaching to name just a few. Some of our pupils also spoke with Sir Clive about their learning journeys. He told us that they were a pleasure to talk to and a real credit to the school. We were all incredibly proud of this feedback and would like to extend our thanks to the parents and wider family members also for all of your efforts. Your support with things such as home reading and also ensuring the children are in school on time to access their Early Bird means that no learning time is lost - he really noted this as a strength.

I hope you all have a wonderful weekend.

Parent notices

A reminder to all, as a school we have a zero tolerance policy of any abuse or threatening behaviour towards staff, it is unacceptable. Further incidents will result in barring from the school site to ensure our children feel safe and happy coming into school in a calm and positive environment.

Reminder: ALL after school clubs have been cancelled on Wednesday 12th and Wednesday 19th October due to staff training.

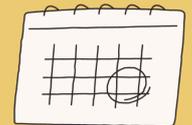

Please make sure your child is at school **EVERYDAY** and **ON TIME!** If they are ill, you must contact school on the first day of absence and each day they are absent. If your child has been identified as a Persistent Absentee, you will be invited into school so we can put together an attendance plan. Future absences could result in fines or even prosecution. Please refer to our school's Attendance Policy which you can find on our website.

If your child is in Year 6, you should begin to apply for a secondary school place. The Deadline is 31st October. Unfortunately, this is something we cannot have control over in school and must be handled by parents/ carers.
