Meet The Team

Miss Spivey

Miss Marr

Mrs Hrintchuk

Mrs Colley

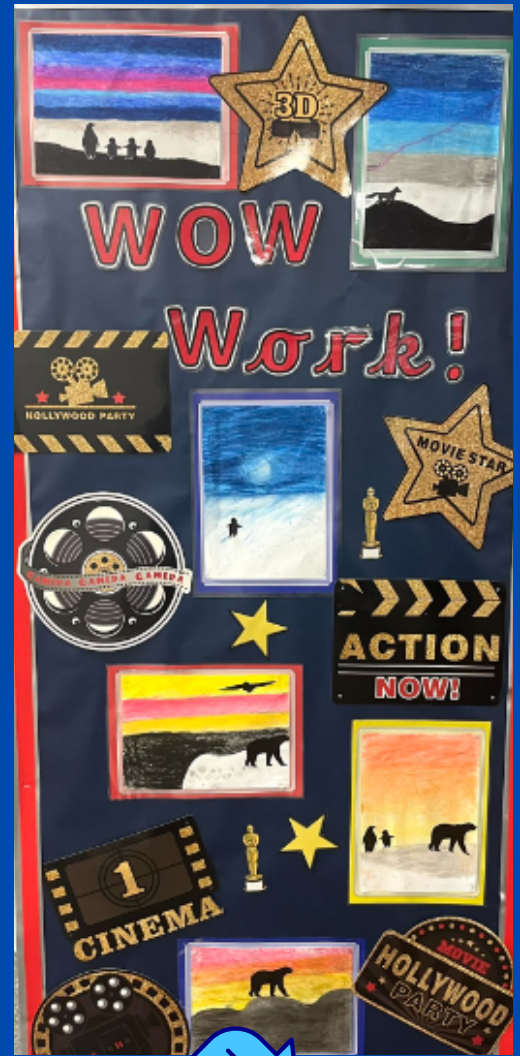

Mrs Marnick

Firstly, may I take this opportunity to both welcome you back to school but also welcome you back to what I am certain will be an incredible year of wonderful learning and memories in Upper Key Stage 2. It has been thoroughly heart-warming this week to observe just how happy all of the pupils are interacting with each other. The corridors, classrooms, playground and dining room have been a buzz of conversation and amazing work has already been produced in both Years 5 and 6. This half term, we will be starting a wonderful topic called 'In the Frozen Kingdom'. By studying this topic, the children will have the opportunity to explore the polar regions as well as studying the maritime disaster of the 'Unskinable Titanic'. They will also learn about explorers who have ventured to the polar regions and have the opportunity to carry out great experiments on changes in materials as well as study various art work related to the topic.

WOW!

This week, we have started our class novel 'Kaspar: Prince of cats' by Michael Morpurgo. It is a heart-warming and powerful novel about Kaspar the Savoy cat who finds himself aboard the Titanic.

We have also produced some wonderful arctic pastel pictures and some 'Through the porthole' artwork.

Year 5 parents- Lineham Farm letters have gone out and for any other information please contact the Year 5 team.

Whilst children in Years 5 and 6 do have the right to walk home, this must be authorised by you (parents/ carers) in writing and given to the office who can then update the consent part of our electronic system in school.

Physical Education

"Movement with a Purpose"

Please ensure your child has their trainers or suitable footwear in school EVERY FRIDAY for PE. For Autumn 1, children will wear their indoor kit and therefore a change of clothes is not necessary.

Thank you for your support with this
