

As always we have had an inspirational half term here at Bramley Park Academy.. The staff team continues to go from strength to strength providing inspirational learning opportunities for all of our pupils. I want to also detail the amazing job each and every member of staff does in providing love and care for our pupils. It has been wonderful to witness such love and care for Nova's 5th Birthday celebration this week - a true family of love here at BPA.

In further news I am delighted to announce that Mr Wingfield has been appointed as Head of School at Bramley Park Academy.

This is an amazing achievement for Mr Wingfield, we are exceptionally proud of him. As you know he does an inspirational job at our school and is a first class leader for our staff team and community. This appointment ensures significant stability of leadership here at the school as I continue my work for the trust at Elements Primary School. Please be assured that my involvement and commitment to the school is still firmly in place. Bramley Park is extremely close to my heart and always will be, it is certainly one of my career highlights to date. I hope everyone has a wonderful half term and we look forward to seeing you on Monday 31st October.

READING RAFFLE

On Thursday, we had our prestigious reading raffle to celebrate our wonderful efforts and commitment to home reading. It was a fabulous celebration and children were so excited about the prospect of winning one of the marvellous prizes. Each lucky winner took home a halloween bucket filled with tasty treats, chocolates and sweets as well as a brand new book.

Our reading raffle takes place every half term and so please can we ask for your continued support in reading with your child at home because this is not only how they earn their raffle tickets but will also aid their fluency and confidence.
