

Well I cannot believe four years have passed since Bramley Park Academy was launched. What a journey we have been on....our school is now a thriving community of excellence and we are exceptionally proud of our journey to date. Teaching and learning is first class in our school with a team of wonderful professionals who are dedicated in every part of their practice to our young people. Our launchpad provision has added an inspirational addition to our school provision ensuring we care for all pupils' needs, learning together. We have so much to be thankful for at BPA and to celebrate, I am sure you will join me in the immense pride of our school and community. I would like to extend my warmest thanks to every single person's support in this amazing journey over the past four years to achieve the wonderful school we are all now part of.

This week we had an open day for all new prospective parents. Please do spread the word of our amazing journey to any new parents of reception age children - we would love to hear from them!

Have a great weekend.

Parent notices

REMINDER: bringing sweets, lollipops, chocolate bars etc to school for break times is not allowed, Healthy snacks only.

Please can we remind parents that use our Rockets after school provision that this ends at 5:25pm on a Monday - Thursday and 4:55pm on a Friday. This is to allow the site team 5 minutes to sweep the school and lock up before completing other duties elsewhere. We have been noticing a couple of incidents where parents are picking up beyond this time which then makes it very difficult for the site team. Please could we ensure we are picking up the children within the allocated times.

PTA at BPA

I am starting up the PTA again
If anyone is interested in joining please get in touch either via the school office,
by text or phone call or see me on the playground at the start & end of the day

Having a PTA gives lots of opportunities to make extra money to spend on our children.

We can also apply for funding to help with sport equipment, trips out etc
It would be amazing if we could get a committee up and running again

Thanks
Mrs Willetts

**This week @
BPA...**

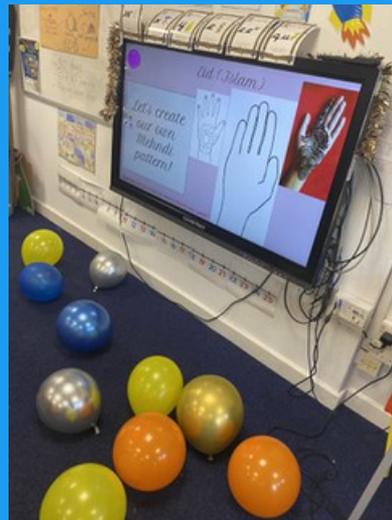

Our year 5 and 6 went back to WW2 on an exciting adventure To Eden Camp on Monday. The children had a fantastic day and their manners and behaviour were impeccable. Immenseley proud BPA!

**RE
day...**

On Thursday, all the classes took part in our "RE Day" where we looked at celebrations in different religions. All the children were really excited and enthusiastic about their wonderful learning. One child in Y2 even stated that it was, "the best day ever!"

Anti-Bullying Week 2022

Monday 14th – Friday 18th November

We are asking the children to wear Odd Socks. They can be bright, stripey, long, short etc - anything goes!

It's an opportunity to encourage people to express themselves and celebrate their individuality and what makes us all unique!

Anti-Bullying week will take place from Monday 14 November - Friday 18 November . The week will kick off with Odd Socks Day on Monday 14th November, where adults and children wear odd socks to celebrate what makes us all unique.

Bullying affects millions of lives and can leave us feeling hopeless. But it doesn't have to be this way. If we challenge it, we can change it. And it starts by reaching out.

Whether it's in school, at home, in the community or online, let's reach out and show each other the support we need. Reach out to someone you trust if you need to talk. Reach out to someone you know is being bullied. Reach out and consider a new approach.

And it doesn't stop with young people. From teachers to parents and influencers to politicians, we all have a responsibility to help each other reach out. Together, let's be the change we want to see. Reflect on our own behaviour, set positive examples and create kinder communities.

It takes courage, but it can change lives. So, this Anti-Bullying Week, let's come together and reach out to stop bullying.
