I hope this newsletter finds everyone safe and well. As you will have seen on the national news, Scarlet Fever appears to be spreading across the country. We have experienced some cases in school and would urge all families to follow the very clear guidance we sent out this week in terms of symptoms and measures which can be taken. It is imperative in this run up to Chrimsatas that everyone follows the guidance. Please do not send your young person to school if they are experiencing any of the symptoms - this is to ensure everyone's safety. Please find attached a further letter from myself with regards to the further measures we have put in place in school to minimise the spread of the virus further. Please stay safe and well this weekend.

Many thanks

Miss Green

Bramley Community Hub and Library

Christmas is just around the corner, but the elves are in trouble – their magical village of Elfhelm has disappeared overnight! Can you use your imagination, belief, and fantastic crafting skills to bring Elfhelm back to life in time for Christmas?

Working together we'll use recycled materials to create an elf village in the library, using Matt Haig's *A Boy Called Christmas* for inspiration. Free children's event recommended for children aged 7+. All children must be accompanied by an adult.
