

We've had a very active week this week at BPA taking part in the Wellspring Academy Trust Sports Festival. Staff and children have thoroughly enjoyed the week taking part in a whole range of activities from: running a mile each day, circuit training in the hall with myself, Wake Up Shake Up routines with Mrs Lamb and some Active Maths sessions with their class teachers as well. It has most definitely helped with some New Year's Resolutions. I also attended a PE Conference on Thursday with Miss James where several guest speakers were outlining the importance of regular physical activity both at school and at home. I know myself it can be hard in this digital age to prise our youngsters away from screens, but it would be amazing if we could all work together to continue the success of this week with regular physical activities moving forward.

# This week at BPA...

# WELL DONE!

Some amazing sketching of some fossil observational work!

Year 5/6 have started their new OAA from the PE hub and have done amazing circuit drills with Mr Wingfield.

Lovely guided reading from year 1/2 this week!

# SEND Coffee Morning

I would like to say what a huge success our first coffee morning was. We had a fabulous turn out from our parents. This is an amazing space for parents to support each other through any new challenges that may arise at home and in school. We know the parents' voice in the education of their child is very important, therefore the parents have set their own agenda in what advice and support they would like from these sessions.

The next coffee morning will take place on Tuesday 4th February at 9.00, this session will be all about Autism and strategies to support.

We look forward to welcoming more new parents next time!
