

**I can't believe we are already 3 weeks into the Spring Term! The children are working so incredibly hard in school and you can really see how settled they now are after the Christmas break. I've had the pleasure of reading a number of letters addressed to me this week from Year 1 and 2 about escaped animals roaming the school. They were truly amazing and an absolute pleasure to read - well done everyone! As we continue into the second half of this half term, please can I keep encouraging parents to support our efforts in maintaining the highest standards in terms of uniform, attendance and punctuality. Your support with this is truly valued and greatly appreciated. I hope everyone has an enjoyable weekend.**

# SEND Coffee Morning

I would like to say what a huge success our first coffee morning was. We had a fabulous turn out from our parents. This is an amazing space for parents to support each other through any new challenges that may arise at home and in school. We know the parents' voice in the education of their child is very important, therefore the parents have set their own agenda in what advice and support they would like from these sessions.

The next coffee morning will take place on Tuesday 4th February at 9.00, this session will be all about Autism and strategies to support.

We look forward to welcoming more new parents next time!
