

I'm absolutely thrilled and very proud of our BPA team this week. Many of us have been supporting another school within the Trust during their Ofsted visit. Despite a couple of organisational changes in school, the children remained incredibly calm and their exemplary learning behaviours did not waiver. I'm so incredibly proud of them and want to say a huge well done and thank you. This most definitely extends to the staff who have worked tirelessly to cover off extra duties and responsibilities, going above and beyond as they always do. I wish everyone a very well deserved and relaxing weekend.

IMPORTANT

IMPORTANCE OF ATTENDANCE!

IMPORTANT

At The Bramley Park Academy we take attendance and punctuality very seriously. We aim to have an attendance figure in excess of the national average of 96.7%. Attendance data is tracked by the Department for Education and will adversely affect our Ofsted rating if it is below the required level.

Our current attendance percentage is 94.9% and we really need to improve on this figure.

We will monitor your child's attendance and if we do not see an improvement we will contact you by letter for a meeting.

Regular Attendance means Punctual Attendance. Arriving on time for school is just as important. Late arrivals are disruptive for the class and can be embarrassing for the child who is late. Children can also miss important information during registration including the plan for the day.

Any unauthorised absence negatively impacts on our overall attendance figure as well as your child's attendance and achievement levels. This is why it's really important to tell school each day your child is absent and the reason for absence.

**The Legal Stuff
School attendance is important because the law requires it. As a parent you are legally responsible for making sure your child gets a good quality education. It's your job to make sure your child is in school every day!**
