

Wow! What an incredible first week back at school. I have been delighted with just how well all of the children have settled back into their exemplary learning behaviours: it has been a real joy to witness around school this week (as it is every week).

Please could I draw your attention this week to the feature on the Newsletter about our after school provision - Rockets. There are some wonderful focused activities planned next week linked to World Book Day and Miss Waring will be regularly sharing a timetable of activities for the following week on each week's newsletter. Please enquire if you wish to book a place for your child. Please could I also ask that any parents in Early Years that arrive after 8:55am report to the school office. The doors will be closed for Early Years at this time as the focused activities will have already begun and staff can't break away mid teaching to open the doors for any latecomers. Please also note that the bottom gate on the KS2 playground will also be closed at this time.
