

This week at BPA we have had Year 6 engaging in their Mock SATS: what an incredible job they have done. Their conduct and levels of focus throughout have been exemplary throughout and commented on by numerous members of staff. A huge well done to each and every single one of them who have worked so hard this week - we are all so incredibly proud of you. A huge thank you must also go to the Year 6 team who have worked tirelessly to prepare the children as best they could and to the staff that have supported this week as readers/promoters. Assessment week has also been happening throughout other year groups in school with once again some real positive comments coming my way around effort and attitude towards them. I hope everyone has a well deserved, restful weekend - you've all earned it!

WELL DONE!

This week at BPA...

WELL DONE!

Launchpad have been learning all about the Easter story. The children have made 'he has risen' posters and stained glass windows. Celebrating all religions.

Beautiful handwriting and presentation in ks1!

Reception had some very special visitors in class. We cannot wait to see what happens to them over the next few weeks.

IMPORTANT

School Attendance

We monitor your child's attendance on a daily basis. We celebrate your child's wonderful attendance on a weekly basis in a special assembly. Prizes are awarded and a chance to roll the big dice for our game of Classopoly. 100% attendance this term will be celebrated with a certificate and badge.

Just a reminder of our attendance policy:

You are required to contact school on the first day of your child's absence and each day they are absent until they return to school. If we do not hear from you, this will be recorded as an unauthorised absence.

If your child's attendance falls below 90% they will be classed as a Persistent Absentee.

You will be invited into school for a meeting and attendance targets will be given.

If no improvement is made then a referral for legal intervention may be required..

Lateness

The law treats some persistent lateness in the same way as irregular attendance and parents may be prosecuted by the local authority if late arrival is not resolved.

Minutes late per day during the school year Equals days' worth of teaching lost in a year

- 5 mins 3.4 days
- 10 mins 6.9 days
- 15 mins 10.3 days
- 20 mins 13.8 days
- 30 mins 20.7 days

Poor punctuality can lead to your child...

- Feeling embarrassed in front of their friends
- Missing the beginning of vital lessons
- Missing important instructions for the rest of the school day
- Learning bad habits which could affect their employability in the future

Pupils who are late after the classroom doors closed, must be brought to the school office where parents are required to sign them in on the inventory system and complete a Late Arrival Form.

If there are difficulties preventing your child from getting to school on time, could you please contact Mrs Willetts or Mrs Dove on 0113 256488 to arrange an appointment for us to discuss the situation. Or could I ask you to ensure your child arrives in school at the correct time each day. School doors open at 8:45am.
