

This week at BPA, National Science Week took over our Curriculum. It has been delightful to see so much wonderful learning going on in classrooms with pupils engaging in some really exciting experiments and investigations. This culminated in a 'Year 6 Takeover Morning' on Friday when all of our Year 6 pupils planned their own Science lessons and delivered them in groups to classes throughout school. They all did such an incredible job and we have some real budding teachers in the making. A huge well done and thank you to them for all of their hard work and efforts and a particular mention to Miss Gregory and Miss Spivey for being instrumental throughout the week with the organisational side of things

## OF the WEEK

Miss Greenwood: Scarlett Walker  
Miss Axall: The whole class  
Mrs Millington: Leo Fisher  
Miss Gregory: Ardiyan  
Miss James: Sophia Birkin  
Miss Wightman: Millie  
Miss Roebuck: Dylan Kelly  
Miss Beck: Toby  
Mrs Hrintchuk: Amelia M  
Miss Marr: Alan  
Mrs Spivey: Ameliya  
Launchpad: Freyja Howells  
Mrs Willets: Daniel Hartley  
Mrs Dove: Alfie H  
Annie's: Brodie Murray

well  
done!

## OF the WEEK

Shane (RKG)  
Omar (RMA)  
Lewis (1LM)  
Maisie (1/2MG)  
Olympios (2HT)  
Nya (3VW)  
Dylan K (3/4ER)  
Seth W (4FB)  
Tyler W (5MH)  
Shelby (5/6KM)  
Marcus (6AS)  
Haris (Laundpad)

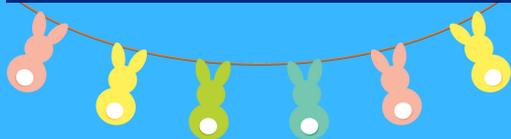

# Parent notices

## HEADLICE!

### HEADLICE IN SCHOOL -

We have become aware that there has been more than one case of headlice in school. We do appreciate that many parents will have followed advice we have given previously but unfortunately head lice are an on-going problem and prevention and/or treatment is something which we rely on parents continuing to do on a regular basis. If headlice are found and you need any help in obtaining or administering treatment the School Nursing Service at Bramley Clinic, Tel: 0113 2951550 will be pleased to help.

## EASTER BONNET PARADE

Nursery, Reception and Key Stage 1: We are holding an Easter Bonnet Parade on Wednesday 29th March around the playground (weather dependent). You are invited to watch the parade on the Key Stage 2 playground at 2:15pm. If you would like your child to take part, you will need to make or decorate an Easter bonnet or hat to bring into school on Wednesday 29th March 2023.

## EASTER MOVIE NIGHT

Our Easter Movie night is on Tuesday 28th March. Tickets are now available to purchase on Arbor.

£2 a ticket and this will include snacks and drinks while watching the movie.

## EASTER EGGSHIBITION

Years 3-6: We invite you to take part in creating a decorated egg for our splendid 'Easter Eggshibition'. A child from each class will be chosen as winners for the most 'eggcellent' and 'eggstraordinary' egg. The theme is 'Sports'. Ideas will be shared with children next week in class. The eggs can be made using real eggs, foam eggs or plastic eggs. We look forward to seeing all the decorated entries. Please bring in the eggs for the 'Eggshibition' on Wednesday 29th March 2023

### IMPORTANT DATES

- Tuesday 28th March: Easter Movie Night
- Wednesday 29th March: Year 3-6 Easter eggshibition
- Wednesday 29th March: Easter Bonnet Parade 2:15pm
- Wednesday 29th March: Mrs Hrintchuk and Miss Marrs class Spring Performance 9am
- Thursday 30th March: Gold behavior trip to Jump Inc
- Friday 31st March: Wear Green for Cerebral Palsey

Bramley Park Academy will be hosting a "wear something green" day on Friday 31st March to mark Cerebral Palsy Awareness month 2023.

**WELL DONE!**

# **This week at BPA...**

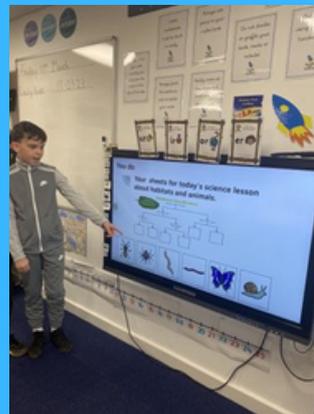

**WELL DONE!**

## **Science Week 10th-19th March**

**This week it has been British Science Week, with the theme of connections! At BPA we've had some amazing and exciting activities taking place for Science! We took part in the National Science Poster Competition and will be sending them off to be judged but we also had some winners in school too! We took part in lots of practical science experiments and even had a 'Year 6 take over morning' - where our wonderful Year 6's delivered their amazing knowledge in Science to the rest of the school. Finally, we had some special guest speakers to talk to the children about how and why Science can be used in the world of work! From engineers to doctors - Science is needed for all! Here are some pictures of us having a blast with Science.**
