

What a wonderful week I have had across both sites; watching our amazing pupils in action during their end of year performances. Year 6 absolutely shone with their amazing presentation of Robin Hood and the Sherwood Hoodies. It certainly put a huge smile on my face to see such wonderful talent.

We also received our fabulous Year 6 SATS results this week and are exceptionally proud... To have watched these pupils grow, flourish and accelerate over the past 7 years has been truly amazing. We are all (as a team) filled with a huge sense of pride and achievement. Any results are the testimony of a true team approach - every single member of our family has supported Year 6 in their journey throughout BPA and I would like to personally thank each and every staff member for their contribution to this amazing achievement.

Sports day has also been a great success with all of our pupils enjoying a range of fabulous sporting activities. Many thanks to our inspirational Ms James, who organised this wonderful event and may I also extend my appreciation to the parents who came to show their support on the day.

In further news, I would like to warmly welcome Miss Pickering to the team at BPA. Miss Pickering will be supporting our Launchpad and working as shadow SENCO in our school. She is a highly experienced member of staff and joins us from our sister school (Elements). I am sure you will join me in welcoming her to our exemplary school.

Our last week of term is nearly upon us and what an amazingly successful year it has been for our whole school community. May I extend the warmest of thanks and gratitude for all of your unwavering support over the past 5 years to ensure our school has reached the amazing heights of success. Words cannot describe the pride I have for our exemplary school and every single pupil who attends our inspirational provision!

Have a great summer everyone.

Hello! My name is Miss Pickering and I am so excited to come and see all the things which make Bramley Park fabulous! Some of you might have already seen me around! I will be working as a shadow SENCO, with Mrs Booth as my very own teacher! I have two of my own children, Jack and Alf, as well as a cat and a hamster. My house is very busy! I am a huge Harry Potter fan and love to watch Leeds Rhinos (but only when they win!)

Hi I'm Mrs Stafford. I'm very excited about joining BPA in September. I have identical twin boys and 2 dogs who look like Hamish. I love to read a good book, grow my own fruit and make pizza. I look forward to meeting everyone after the holidays.

This week at BPA...

This unique show is performed by two actor musicians, featuring original live music and puppetry.
