

It has been an absolute delight to welcome the children back into school this week after the Summer holidays. We have had an amazing first week back here at BPA with all pupils looking incredibly smart in their new uniforms and settling back into school life so incredibly well. Visiting classrooms this week, I have seen all pupils fully engaged in their learning with routines and expectations being established very quickly. A huge thank you to the entire school community for their support and input into making this first week of the new year so successful. I hope you all have a lovely weekend and enjoy the remainder of this weather.

## Roald Dahl Day

On Wednesday 13th September 2023... It is Roald Dahl Day!!

On the day, children are invited to come into school dressed in as many colours as possible. Alternatively, if they would like to dress up as a much loved Roald Dahl book character then that too would be wonderful. We are asking for a £1 contribution to our school fund, which we plan to spend on books across school.

During the day, children will take part in activities based on a popular Roald Dahl text and at lunchtime, children will have a 'dahlicious' special menu. We will also have a book fair on the KS2 school playground at the end of the day where you have the opportunity to purchase pre-loved books for any donation you choose.
