

We are now, unbelievably, at the end of our third week of the school year already. I'm so pleased to be continuing to see how well our younger pupils are settling into their new classes, coping well with new and increased expectations, whilst our older pupils are continuing to demonstrate excellent learning behaviours and are really rising to challenges set by their new teachers.

We saw our Year 5 pupils head to Lineham farm on Wednesday for their first residential. After visiting them on Thursday lunchtime, it was amazing to hear how much they were all enjoying themselves and how everyone has been throwing themselves into all of the exciting activities on offer. A huge thank you must go to the staff who have accompanied them on this fantastic visit: Miss James, Mrs Hrintchuk, Miss Marnic and Miss Burnley have all worked tirelessly and put in so much effort to ensure the trip has been so enjoyable and memorable for our pupils - thank you all.

Parent notices

Reading Record

To help us track how much reading your child is doing at home, it is important that you sign their reading record every time you have listened to them read, along with a brief comment. (At the upper end of Key Stage 2 when children are more likely to be reading with confidence and fluency, they should be keeping their own daily records, which should be signed by parents/carers at least twice a week.) Your support with reading at home is essential and only by working together can we ensure your child achieves their potential as a reader.

School

Communication

As of next week all school communication will be sent via Inn App Messages on the Arbor app or via email. You must make sure you have access to the Arbor App. We will no longer be sending out text messages unless it is urgent. Please make sure to read the weekly newsletter for all information and diary dates.

School Photo's

The photographer will be taking pupil photos on Monday 25th September. Please make sure your child is on time.

If you would like a Sibling photo these will be taken from 8am in the hall. Please bring your child to the hall doors and stay with your child until school starts at 8:45am.

Jewellery

Jewellery is considered to be any form of adornment to the body, which is not clothing, this includes earrings and bangles. For health and safety reasons children should wear stud type earrings only. Children are not permitted to wear earrings for PE. Your child's teacher will advise you when PE lessons take place so that earrings can be removed or taped over. Tape or plasters should be provided from home.

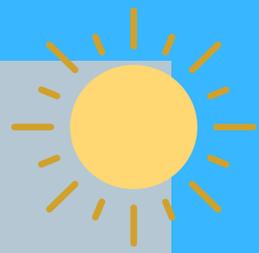

Footwear

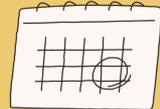

For health and safety reasons we do not allow children to wear sandals, shoes with platform soles or high heels. All children are required to wear plain black shoes. Your child should wear shoes which he or she can manage to do up independently. Please do not send your child to school in shoes which prevent them from running in the playground.
