

As we enter the final school week of 2023, I wanted to take this opportunity to look back on what has been an incredible year for Bramley Park Academy. In March 2023, we had a visit from Ofsted which resulted in our Outstanding judgement. A judgement that was the culmination of all of the hard work, dedication and support from each and every person in our school community over the past 5 years. This in turn has led to more and more parents wanting to bring their children to us, raising the profile of the school even more. We had our Phonics Screening as well as our KS1 and KS2 SATS throughout May and June where we once again, were so very proud of what the pupils achieved. These were followed by a whole host of events such as our Sports days, end of year productions and exciting trips out of school linked to our Topics. We said goodbye to our wonderful Year 6 cohort in July, but welcomed an equally wonderful Reception cohort in September who have impressed so much with how they have taken to school life, putting on that wonderful Nativity performance just last week. I would also like to take this opportunity to say a huge thank you and well done to our KS1 team who did such a superb job with their Nativity this past week as well - the performance was thoroughly enjoyed by everyone. So much hard work has taken place over the last term, with new topics being introduced to our Curriculum, more trips out and themed day experiences, along with all of our Christmas festivities over the past month. We are all looking forward to spending our final week together before the holidays and wish to thank you all for your incredible support over the past year and hope that we can continue to go from strength to strength as we enter 2024.
