

As we approach the end of our first half term of 2024, I wanted to express my sincere thank you to all pupils, staff and parents for their unwavering support in starting the new year in such a positive and effective way. We are constantly making great strides here at BPA and setting firm foundations to regularly build upon. We have many events coming up over the next half of the year, but I have every confidence that by continuing to work together and fostering our school values of Believe, Persevere and Achieve we can continue to experience great successes.

Before I wish everyone a happy and restful half term, I would like to draw your attention to the photos below of our completed History Timeline. Our resident artist Sally Newton has done an incredible job and we are all truly thankful for her time and efforts on producing such a wonderful piece. Watch this space for more of Sally's magnificent work in helping to continually enhance our school environment and learning experiences for the pupils here at BPA. Finally, I hope everyone has an enjoyable and restful half term and we'll look forward to welcoming everyone back on Monday 19th February.
