

It was amazing to welcome back our pupils on Monday after the half term holidays and it has been great seeing all of our classes really engaged in their new Topics for this upcoming half term - I know the Toy hook lesson the KS1 pupils did with our Year 6 pupils in the hall was a real success and the Traction Man book they have started reading has proven to be a hit also.

Things have ramped up in Year 6 pupils as well now that they have all of their revision materials and timetables in place, putting themselves in the best possible position come May when they will take their SATs. They also received their Hoodies this week and it has been a delight to see the pupils wearing them with pride around school.

We have a host of really exciting events coming up this half term, lots of visitors coming into school and running workshops linked to Topics, World Book day, the Year 5's Easter performance, Easter Bonnet parades/competitions, sporting events taking place at Leeds West with Miss James and our Gold Award trip taking place just before the Easter holidays to name just a few. Please continue to look out for regular lines of communications to keep you up to date with events taking place.
