

I'd like to use my part of the Newsletter this week to say thank you to all parents who attended our Parents' Evening on Monday and Tuesday. The relationship between home and school is a vital ingredient for success. We all really appreciate and value your time, openness, honesty and understanding during these conversations so that we all know what we can do moving forward to support our wonderful young people. Many thanks also to those parents that spoke to Mrs Dove and Miss Burnley around attendance.

There were some really positive improvements that were celebrated and also a reminder around the importance of attending school regularly every day and on time. I wish all parents, staff and pupils a relaxing and enjoyable weekend.

Parent notices

On Monday 11th March Story, Song and Craft Club will be cancelled for Reception/Y1 due to staff training.

Driving into school

We have seen an increase in people driving too fast into school. If you have a Blue Badge therefore can drive through the car gates, just a reminder the speed limit is 5MPH. This is to ensure the safety of our staff and pupils.

Thank you.

Amazing!

HAPPY MOTHER'S DAY

Reception have been working hard in preparation for our Mother's Day assembly. We have looked at the work of Van Gogh and his famous painting of sunflowers. We sketched them using our observational drawing skills and then learnt to use water colours. We then explored the best art technique to create petals, leaves and seeds before creating our final piece for our cards. We wrote special messages for our mummies, baked buns and cannot wait to have our stay and play session this afternoon!
