

Welcome back everyone to the final term of the school year, 'even though the weather is still trying to decide what season we are in'. It was wonderful to welcome everyone back on Monday after our Easter break and, yet again, the children have settled back into school life and routines magnificently.

Year 6 took on their mock SATs this week and what an incredible job they have done. I was privileged to be part of one of the rooms and the level of hard work, general approach and conduct towards these was faultless. I know Miss Spivey, Miss Marr and Mrs Colley were really pleased also, especially with some of the results that came out of them, giving everyone a much needed confidence boost towards the real thing come May. An amazing job Year 6, we're all so very proud of you and a huge thank you to the Year 6 and wider staff team for all of their efforts and contributions.

We are delighted to welcome Ryan Toulson, from Beyond the Physical Education, back to school this term. Ryan will be here 3 days per week in addition to the wonderful Mrs Georgie Lee, our very own in-house dance specialist from Elements Primary. Miss Lee will also be here 1 day per week. As you can see, it will be a jam-packed term of sporting activities, which due to organisational issues, we have pooled into this term, rather than spreading out over the course of the year.

Finally, I'd just like to finish by saying a huge congratulations to Alan in Year 6 who had the wonderful opportunity over the Easter holidays to be a mascot for the mighty Leeds United. I know that Alan and his family had a great day out and thoroughly enjoyed the whole experience. I wish everyone a happy and restful weekend.

Parent notices

School Uniform

We provide every student at BPA with a brand new uniform each year so all we ask is you provide your child with a pair of black school shoes and wear the uniform provided.

Can we remind all parents that your children should not be coming in leggings/jogging pants as these are simply not acceptable.
