

Summer seems to be very much around the corner and, once again, we have really enjoyed being able to take lots of our learning outside this week. The warmer weather has certainly allowed for more jumpers to be taken off and shorts to be worn. With that said, please can I encourage all parents to ensure that all school jumpers and cardigans have your child's name clearly labelled. We notice a real spike at this time of year with these going missing and it's much easier to find and return them to the correct people if they are labelled. I have also noticed a shift around school in pupil expectations linked to our overall uniform. Our school policy is really clear and a full uniform is provided every year to all pupils, fully funded by school, with shoes the only item of clothing we ask parents to supply. Children must be in school wearing school shoes, not trainers. In addition to this, school ties are an item of uniform more and more pupils seem to not be wearing. If your child requires a replacement tie, these need to be purchased from the school office. Your support with this is vital and much appreciated: we want all children to take real pride in their appearance and ensure there is real consistency around school. All staff have been asked to challenge this over the remainder of the year. Should you require any support, our pastoral team are always there to help. Finally, I would like to wish our entire Year 6 team a happy, restful and calm weekend before they enter SATS week next week. The pupils have been so incredibly well prepared for this and I just know that next week will be an opportunity to show exactly how far they have come during their time with us at BPA.
