

Earlier this year Miss Green was nominated for the Pearson National Teaching Award – Head Teacher Of The Year.

We are extremely proud of Miss Green, she has such passion and experience, she cares for all our children and our team. This nomination is recognition of everything she does on a daily basis.

On National Thank A Teacher Day Miss Green was awarded as a Silver Winner 2024 for her outstanding work and contribution to education at both of our schools.

This means she is now entered into the Gold Award category which will be announced in November 2024. We are sure you all join us in wishing her the best of luck.

Well done Miss Green from all of us at BPA and EPS

PRIDE Day.

This month, during our PSHE lessons, we are celebrating 'pride month' at BPA.

We are looking at key figures in the pride community; what the pride flag represents and working together to produce a whole school display. Each class will focus on a slightly different element, together we will celebrate diversity.

We will end our celebrations with a 'pride day' - Friday June 28th - when we invite children to come to school in bright clothing.
