

Bramley Park Academy

Learning continues to go from strength to strength throughout school. We are now 4 weeks into our new academic year and expectations are being firmly embedded around learning outcomes and behaviours for learning. Oracy is becoming a real focus for our staff and pupils. Where you can, please have those meaningful interactions with your young person, using vocabulary that generates discussion and sparks interest. Alternatively, just ask them about their day - What successes did they have today? What did they achieve? How can they make tomorrow an even better day?

Attendance is still a real focus for us in school and we have been doing incredibly well so far, the challenge now is to keep sustaining this so your child can maximise their learning opportunities. With that said, we are tightening up on our morning routines as we still have far too many children coming into school late. Staff will be out on the playground from 8:40am. It is at this point that children need to be getting lined up. Once the bell goes at 8:45am, the teachers will promptly take their classes in so they can access their Early Bird in a timely and efficient manner. Please could I encourage all parents to support with this and ensure your child isn't coming into school once their class lines have been taken in. The gates will also be closed at 8:55am to ensure the site is secure for some of our more vulnerable pupils in Launchpad. Should you arrive with your child after this time, you will need to use the driveway entrance and buzz in at the gate.

Once again, your support with this is crucial in ensuring we are giving our young people the best possible start to the day and is instilling in them the importance of punctuality and attendance.
